**Idaho Residents and Stateholders,**

I want to take a moment and show my support for the reelection of Sherri Ybarra, the current Idaho State Superintendent of Public instruction. I have had the honor of working beside Superintendent Ybarra since I started my teaching career. Superintendent Ybarra quickly became both a friend and mentor as she helped me navigate my first few years of teaching elementary school.

Superintendent Ybarra set goals spanning the two-plus decades I have known her. She has been a highly effective teacher, assistant principal, principal, the Federal Programs Director, and now the Idaho Superintendent of Public Instruction. As a result of her determination, Idaho students are succeeding.

Reflecting on Superintendent Ybarra as the current Superintendent of Public instruction, I continue to see her setting goals and achieving those goals. She lets the public know her intentions and aspirations -then she exceeds them. One way she has done this is by establishing the first Student Advorsiy Counsel. This allows her to hear students' points of view, concerning education and school safety in Idaho. Superintendent Ybarra is effective in her pursuit to make education in Idaho extraordinary.

Idaho needs a Superintendent who will work hard and ensure the goals of the people of Idaho continue to be heard and obtained. Sherri Ybarra is the right person to get the job done. Therefore, I wholeheartedly support Superintendent Ybarra in her reelection bid for Idaho Superintendent of Public Instruction.
